Complete before registration application is filed.

(Please enter a registration number for each horse listed on this pedigree, if one is available. Only so can you prove your horse's parentage.)

Percentage is figured with 4 Generations [30 horses, parents are the 1st generation]. Appaloosas must have been registered or recorded in a recognizable Appaloosa registry. Count proven Appaloosas and multiply by 3.33, you arrive at your horses percentage. ID and PC reg stock does not count, unless both parents Appaloosa.
